Serving Lansing Area Families and the Development of Underserved Youth

Newsletter

July 2023

Participants engage in activities at the MSU Planetarium after learning about the Solar System. Later they engage in putting together a Sill Byrd Solar Robot.

Below participants continue to work on the Sill Byrd Solar Robot and activate the robot with heat from a light bulb. The program ends with a fun day at DEFY, Trampoline Park enjoying such activities as crawling through the cage of balls, pretending in a space ball, and overpowering the associate director at the battle beams.

The Greer Center, a nonprofit organization, serves the community through the generosity of people like you. Please help us with a generous donation today. By check: Mail to St. Stephen's Community Church with Greer Center on the memo line, 1007 Kimberly Dr Lansing, MI 48912 On-line via our website: St. Stephen's Community Church Lansing.
